STRONG TIRE MANUFACTURER

FULL-CATEGORY COVERAGE

We supply agricultural, industrial, off-road, and specialty tires.
We supply hard-to-find tires and wheels with matching services.

GLOBAL CERTIFICATION STANDARD

Certified: CCC, ISO, SGS, BV, INMETRO, SIRIM, ECE, SNI.
Over ten global certifications support export compliance.

MULTI-CHANNEL SUPPORT

We serve tire makers with tires and rims, and support institutions with quotes and invoices.
One-stop export services: LCL, trailer, customs, warehousing.

TIRE PLANT + FACTORY ENVIRONMENT

CORE ADVANTAGES: homsunlift.com Tire supplies industrial tires with global certifications and a full-service system from R&D to export. We're authorized to offer tailored solutions for equipment makers, institutions, and traders, with products sold globally.

CORE ADVANTAGES OF SOLID TIRES

We optimized tread compound and deep pattern for forklifts (3–3.5 tons) with high load, strong grip, shock absorption, and wear resistance to ensure stable, efficient performance in tough industrial settings.

SECTION 01

HEAVY DUTY · SECURE GRIP

Reinforced tire supports 3–3.5 tons load.
Demand

Special rubber works on cement, steel, and gravel.
Stable traction in all conditions.

SECTION 02

CUSHIONED. DURABLE.

Solid tires absorb vibrations, reducing shocks during forklift use.
Impact vibration

Durable formula and thick tread last longer, resist punctures.
Nail & tire blowout downtime risk

SECTION 03

COMPLETE COVERAGE

Compatible with 3–3.5-ton forklifts.
ton-class vehicle

Two options: steel belt or separate carcass, fits 18x7-8.
Custom specs

MAIN PRODUCT TECHNICAL SPECIFICATIONS

homsunlift's solid tires match 650-10 and 28x9-15 specs for 3–3.5 ton forklifts, plus smaller sizes like 18x7-8 and special industrial needs, offering a full range. Complete industrial tire range.

 DINGGU FORKLIFT TIRE SPECS

MODEL SPEC	RIM SIZE	LEVEL CARRY	GLOBAL	VEHICLES

Heli and other top forklifts

✔ 18X7-8 SPECIFICATION

Special sizes for small forklifts.
Customized production

WIDE-RANGING USES

homsunlift solid forklift tires suit various environments, from heavy industry to precise logistics.

INDUSTRIAL

INDUSTRIAL ZONE

Coal mines, steel plants, foundries have complex, metal-rich grounds. Solid tires resist debris and heat, no blowouts.

Solid tires for harsh environments like scrap yards. Puncture resistance cuts tire replacements and downtime.

LOGISTICS

LOGISTICS + WAREHOUSING

Airport, port, and warehouse material handling. High tire stability and maintenance-free solid tires cut costs. Yes.

High-frequency areas: factories, warehouses, mills. Tire wear affects equipment use and efficiency.

SPECIAL

HAZARDOUS WORKPLACE

durable sidewalls for rough terrain. Solid tires absorb bumps, reducing vibration. Go.

SOLID VS. INFLATABLE TIRES: KEY BENEFITS

Dinggu solid tires offer better safety and cost savings vs. pneumatic tires in forklifts.

SAFETY

ZERO BLOWOUT RISK

- ✓ Solid tires avoid punctures and sudden pressure loss. Risk
- ⚠ Pneumatic tires prone to punctures; solid tires safer. Full margin

ECONOMY

LOWER COSTS. BETTER EFFICIENCY. NO MAINTENANCE NEEDED

30%+

Long-lasting

¥200+

Cost reduction

- 🕒 Lifespan up 30%, lower tire costs.
- 💰 Factory sales: 200+ yuan cheaper.

MAINTENANCE

NO MAINTENANCE NEEDED

- ✂ Low maintenance, ideal for large fleets.
- 😊 No more frequent tire changes—handles nails easily!

SOLID TIRES LAST 30% LONGER, NEED NO MAINTENANCE, AND CUT TOTAL COSTS BY 20% TO 40%.

REAL CUSTOMER THOUGHTS

homsunlift solid tires praised for durability, perfect fit, puncture resistance, and great value in real industrial use. High repeat buyers confirm product reliability through follow-up reviews.

 QUALITY VERIFIED.

Tires feel great, fit perfectly, made with thick, high-quality materials.
"Error" means standards are met.

USER FEEDBACK

 AWARDED FOR SAFETY

Solid tires eliminate fear of nails and blowouts.
Puncture resistance tested in tough conditions.

SAFE OPERATION PRACTICED.

 BIG SAVINGS

Save 200+ yuan per tire, even a full set with electric tools. Factory direct!
Pricing and easy assembly praised.

COST COMPARISON

 TRUST OVER TIME

High repeat buyers and long-term follow-up cases.
Durable and long-lasting.
